Red Top has served the Arlington area since 1964 and was named Best Taxi Service in the DC metro area by Washingtonian magazine readers. From its humble two-car beginning, Red Top has grown to be one of the largest taxi companies in the region, priding itself on safety, comfort and prompt service. Red Top was first in Arlington with a large fleet of wheelchair accessible cabs and first to build a fleet of greener, cleaner hybrid cabs. In addition to its sponsorship of the SoberRide program, the company

supports many other community initiatives, including Capital Hospice, Wounded Warriors and the Senior Olympics.
